SERVICES OFFERED

A1 Jobs Trades have worked hard to guarantee a professionally qualified database of tradesmen are available to service all your requirements. There are many uncertainties when employing a tradesman and its important that you be very wary prior to engaging one, for instance:

- Have you searched for a tradesman you can trust but remain unsure?
- Do you feel the price offered by the tradesman is higher than it should be?
- Has the tradesman presented his trades papers to you?
- Is the tradesman insured and has he provided you with his insurance certificates?

A1 Jobs Trades guarantee the following:

- A qualified tradesman who has had his qualifications and papers checked
- A promise only to pay for our services when a job has been complete (if less than 1 weeks work) and in stage payments thereafter.
- A qualified Quantity Surveyor to look after your project (no matter how small the job is) and to ensure the tradesman carries out all works in a correct manner.
- A full 1 year parts and labour guarantee for all works
- Test and compliance certificates (where applicable) when works are complete.

Typical jobs carried out by A1 Jobs Trades include:

- **Painting and decorating - including wallpapering, gloss painting to woodwork, emulsioning walls, external painting, etc.**

- **Plastering - including ames taping, skim coating, plaster and lath, patching, etc**

- **Electrical work - including rewiring, new heating installation, shower installation, lighting, etc**

- **Joinery - including partitions, plasterboard, timber kits, roofwork, window repairs, timber supports, Kitchen Installations, etc**
